Celebrating 10 years

**“St. Louis Bank is
our one-stop shop.”**

As noted restaurateur Charlie Gitto, Jr. has grown to 3 locations and 200 employees, he’s found St. Louis Bank committed to keeping pace. “Their cash management systems and expertise are the latest and

greatest. We also rely on them for loans and credit card processing and have deposit, savings and checking accounts. Their service is very personal and very good,” he says. **Is St. Louis Bank right for your company? Find out from Mike Jung, head of commercial lending, at 314-851-6222.**
